

During Catholic School Week, students may be out of uniform all week if they bring in \$5 for families with one student or \$10 if your family has two or more students. All money received will be divided among the following organizations: Great Plains Black History Museum, the Sisters of Mercy religious order, the Omaha Star Newspaper, and the CUES School System. Also, we are collecting non-perishable/canned food items for the Heart Ministry Center throughout the week.

### **Monday, January 30, 2023**
