

Aaron Wright
School Support Specialist

Dear parents,

My name is Aaron Wright, I work for Boys Town as a School Support Specialist. As we prepare for the upcoming school year at Sacred Heart, I want to personally introduce myself and say welcome Sacred Heart School Panthers! I have had the pleasure of meeting most parents from the previous year and have worked with your child(ren), developing new skills and encouraging positive interactions between peers and teachers. I am personally excited to start year 2 at Sacred Heart to continue watch as your children explore, grow, and gain knowledge from our wonderful staff. With that being said, **WELCOME STUDENTS AND PARENTS!!!** 2023-2024 is going to be a great year.

Below, I have included my contact information if you or your child ever want to reach out to discuss any needs you may have. At Boys Town, we offer additional support services such as parenting classes as well as services in the home. If you would like more information, please call our South Omaha Boys Town office at 402-734-0155 or you can also learn more on our website at www.boystown.org/south-omaha. Thank you and I hope your family has a great summer.

Sincerely,

Aaron Wright
