

2024 – 2025 SACRED HEART SCHOOL UNIFORM AND DRESS CODE

The governing Board of Directors has established a uniform and dress code policy. It is the responsibility of the school professionals to enforce the policy. Parents/guardians are expected to understand and reinforce the guidelines of the established dress code and encourage proper grooming habits for their children. School uniforms give students a sense of identity that they are a part of the Catholic school community. It also gives import to their “job” which is to be a successful student. Each family will be provided a copy of the uniform dress code for each of the schools. Additionally, shirts should be tucked in at all times, and hats and coats/jackets are not to be worn inside the building. The Principal will determine final interpretation of the appropriateness of dress and appearance of students of the school.

The dress code at Sacred Heart School serves several purposes:

1. to promote a sense of community and pride within our school and individual students;
2. to provide a means for a child to associate dress with behavior and to dress for success;
3. to create an environment of uniformity and safety for all students; and
4. to reduce clothing expenditures.
